CONGRATULATIONS! YOU'VE ALREADY ANSWERED SEVEN QUESTIONS CORRECTLY.

IF YOU GET THE NEXT THREE RIGHT... YOU'LL PASS!

WELL, I'M NOT DOING TOO BAD.. I JUST HAVE TO STAY CALM NOW...

ALRIGHT, SO FAR I'VE THROWN YOU SOME PRETTY EASY POP CULTURE QUESTIONS.

LET'S SEE HOW YOU HANDLE THESE LAST THREE... ALL ABOUT GEEK CULTURE.

MARIO WAS ORIGINALLY A CARPENTER BEFORE BECOMING A PLUMBER. TRUE OR FALSE?

WRONG!!

OH, THAT ONE'S EASY. ICHIGO LOVES THAT GAME. IT'S FALSE... MARIO HAS ALWAYS BEEN A PLUMBER.

HIS FIRST APPEARANCE WAS IN THE GAME DONKEY KONG, WHERE INTERESTINGLY HE WAS A CARPENTER NAMED JUMPMAN, SO YOUR ANSWER IS...

WAIT! WHAT'S HAPPENING?

THE CHAIR IS MOVING!!

WHAT THE...?!!

WAIT!!

HA HA HA HA HA HA HA HA HA HA HA HA

NEXT QUESTION: THE ORIGINAL PLAYSTATION CONSOLE WAS LAUNCHED BY SONY AS A RESULT OF A FAILED COLLABORATION WITH NINTENDO. TRUE OR FALSE?

FA... FALSE? I GUESS... HAHAHAHAHAHAHA, NO IDEA! ICHIGO DIDN'T HAVE A PLAY-STATION!

HA

HA

HA

HA

HA

OH MY GOD!!! I HATE TICKLING!! HAHAHAHAHA— HAHA I CAN'T STAND IT!!

HA

HA

HA

HA

HA

SONY WAS WORKING WITH NINTENDO ON A CD-ROM ADD-ON FOR THE SNES, BUT THE DEAL FELL THROUGH, LEADING SONY TO DEVELOP ITS OWN CONSOLE. SO...

WRONG AGAIN!!

NEXT QUESTION: THE CHARACTER GOKU WAS ORIGINALLY DESIGNED WITH A MONKEY TAIL BECAUSE AKIRA TORIYAMA WAS INSPIRED BY THE CHINESE TALE JOURNEY TO THE WEST.

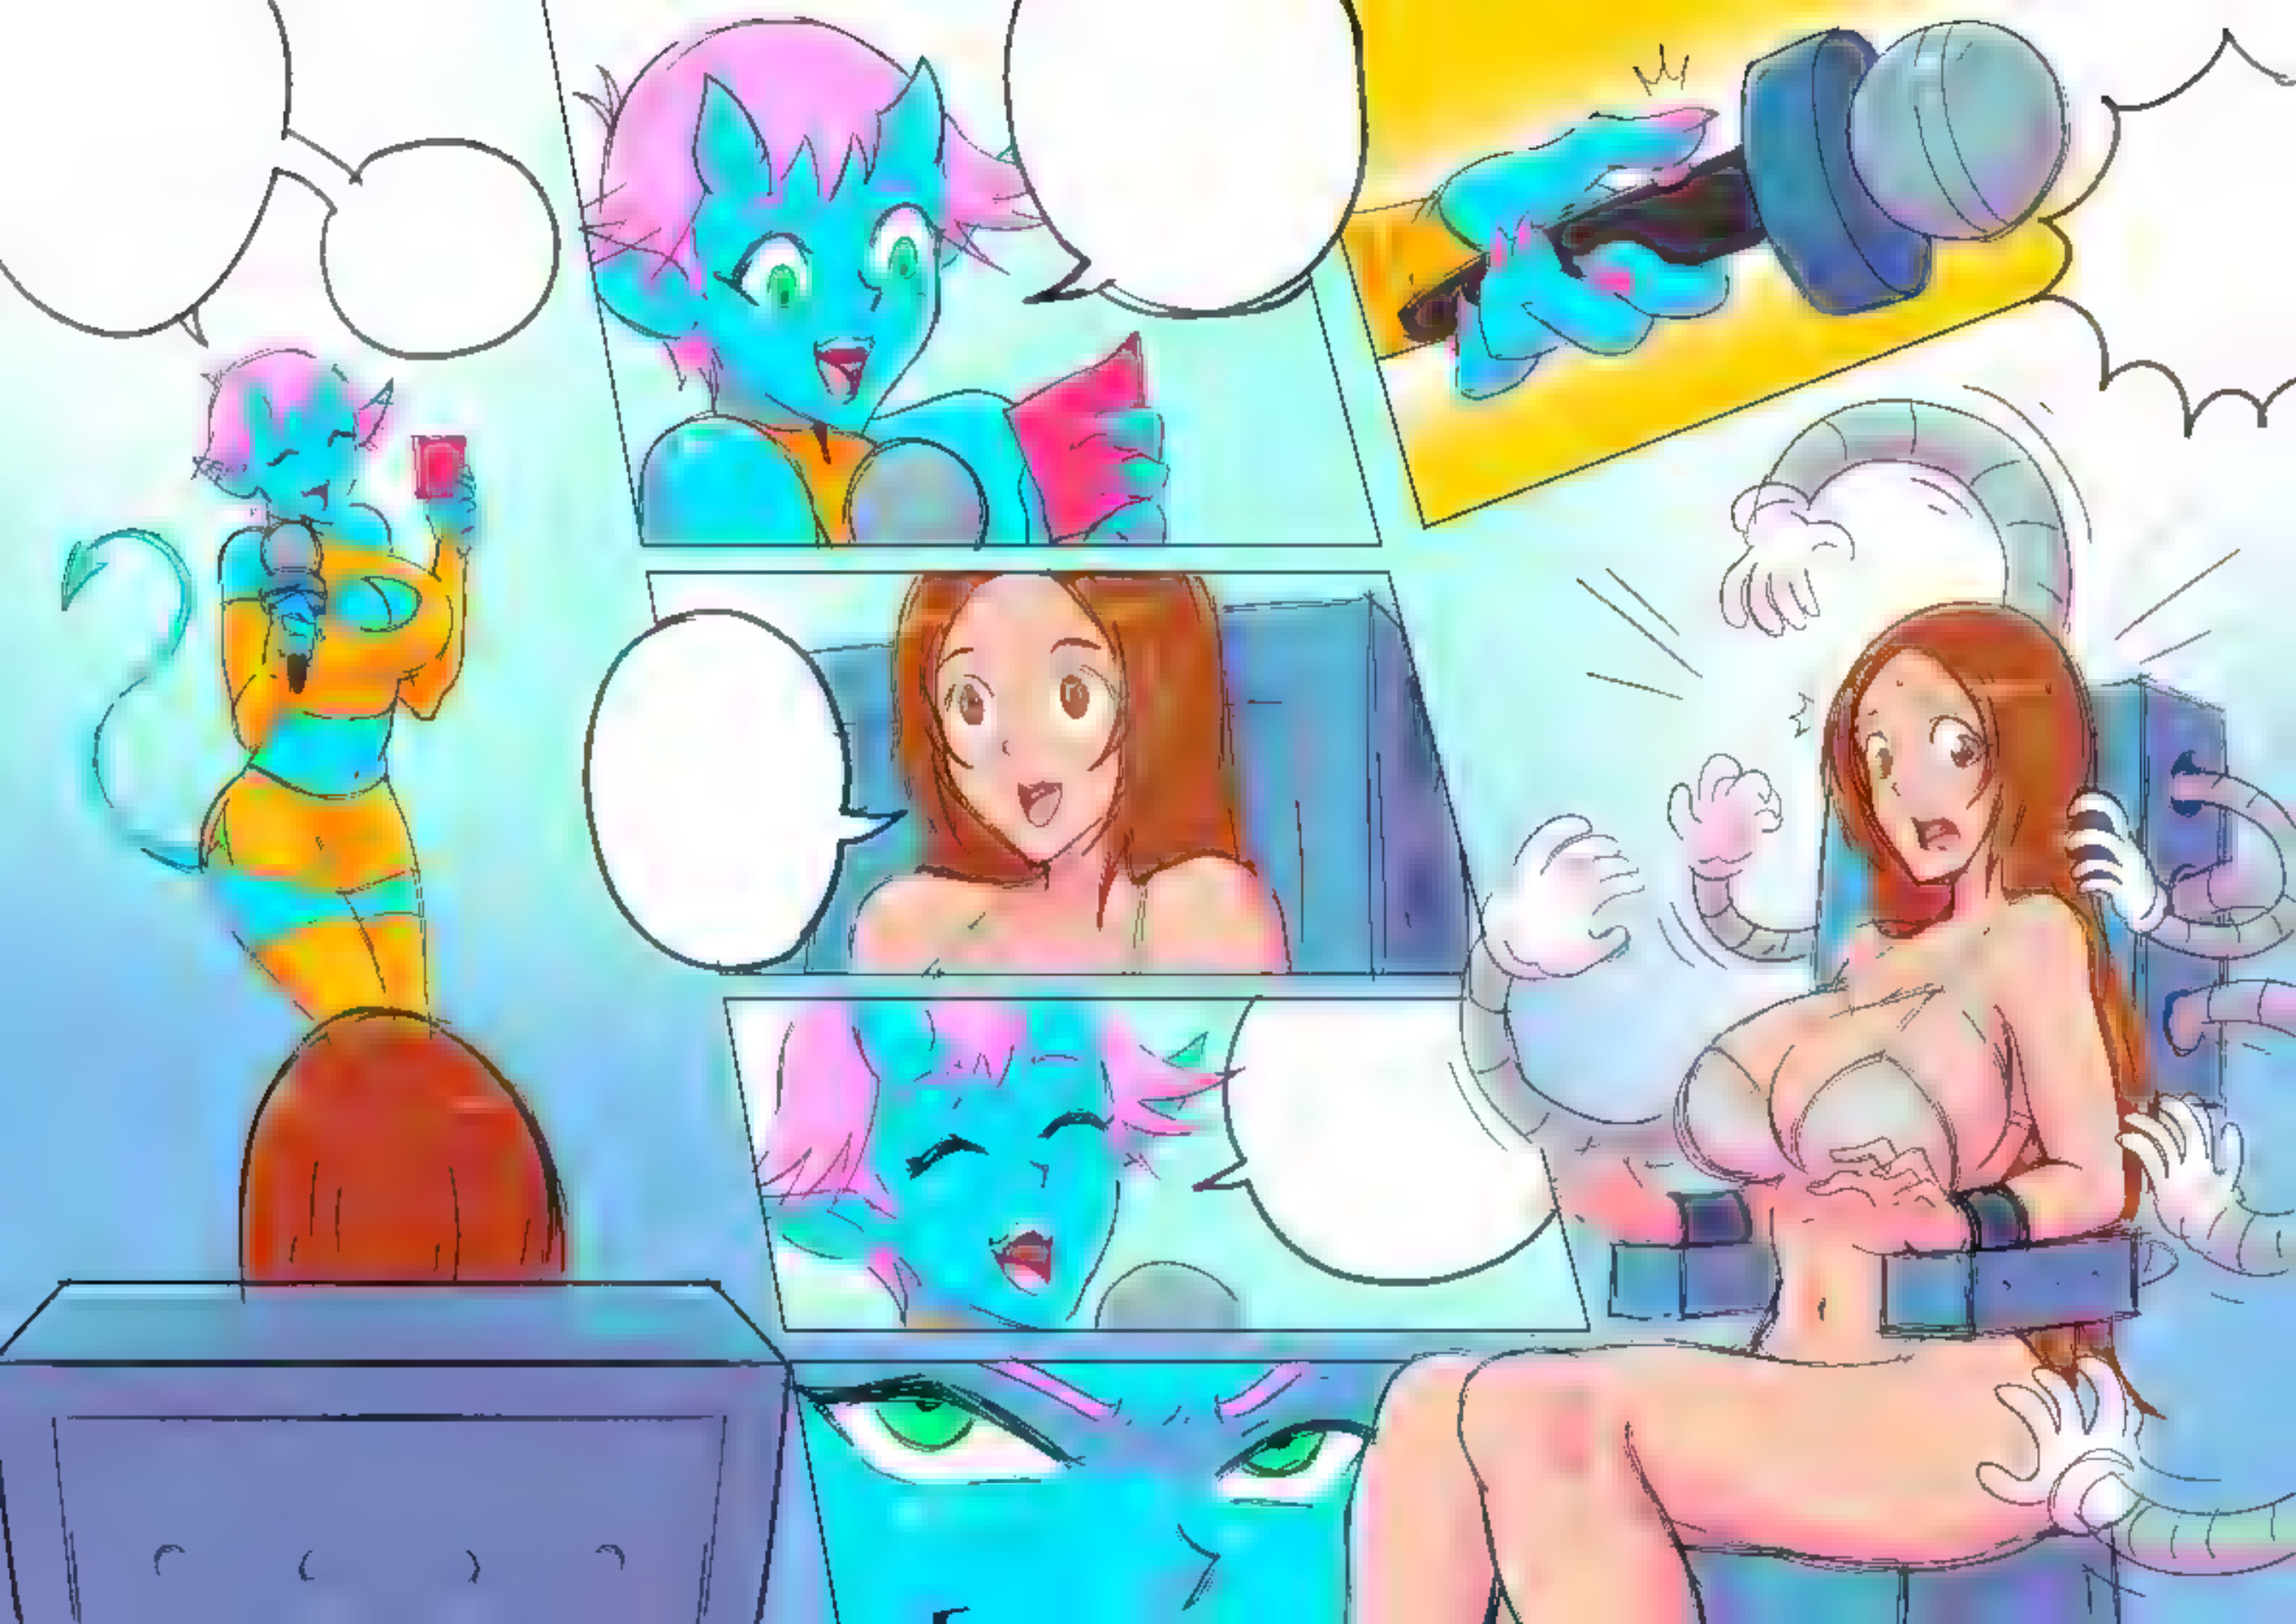
WHO THE HELL IS GOKU?? HAHA-HAHAHAHAHAHA FALSE!! I GUESS?!?

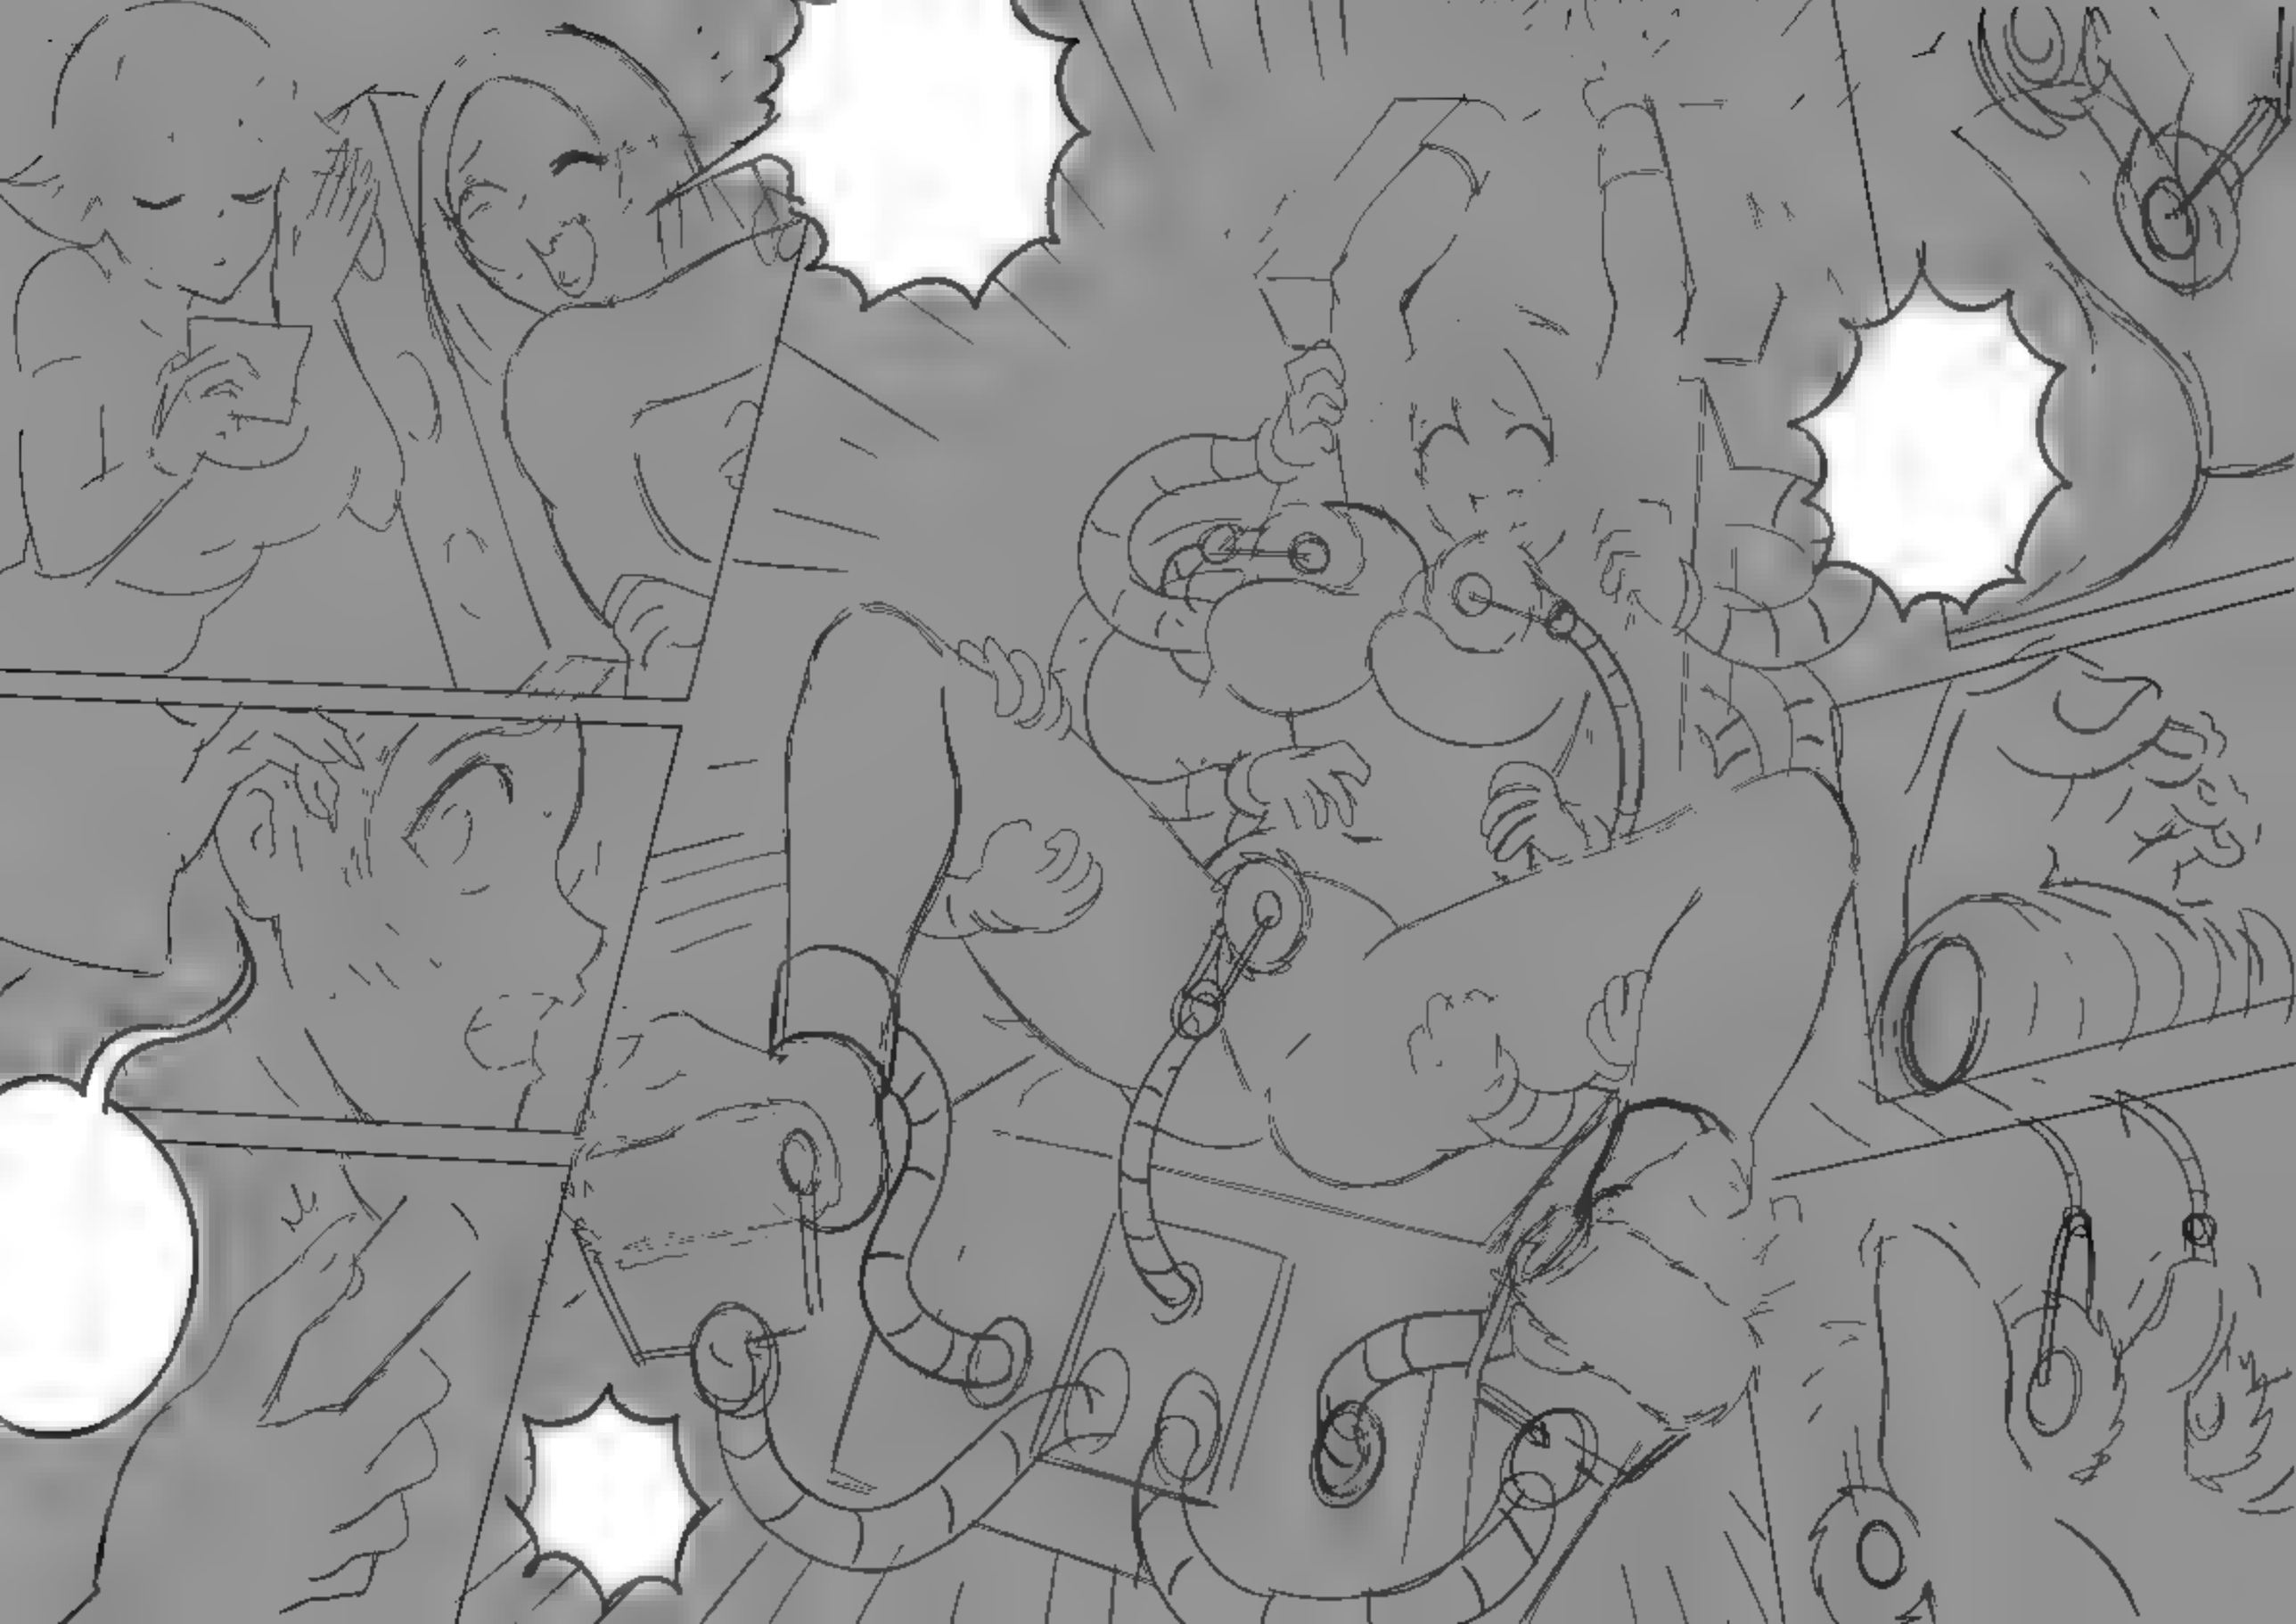
OH, DARLING. YOU'LL REGRET GETTING THIS ONE WRONG...

HA

I'M AFRAID ORIHIME WON'T BE ABLE TO KEEP PLAYING AFTER THIS, HEHEHE. SO, WE ALREADY HAVE OUR LOSER OF THE WEEK. HOPE YOU ALL ENJOYED THE SHOW.

SEE YOU NEXT WEEK!





Well... I'm definitely **NOT** bored anymore. Let's give these guys some rope and see if they're drunk enough to hang themselves with it...

Alright, I'll bite. What's your offer?

How does **one grand** sound to ya?

Hahah! You owe me that already just for having to look at that **funny junk** of yours!

Hey! My meat's not funny!

...or is it?

Nah, it's okay! Not exactly impressive, though.

I'm such a **liar.** It's **BIG!** I should better websling myself the rest of the way, before this gets too outta hand...

Now, **bugger off!** I'm bouncing out at the next station.

No, wait! Don't go, yet!

How 'bout **TEN GRAND?** :hic:

Bro! What you doing?

Ooookaaaay... That's a **whole lot** of rent checks and groceries.

Come on, Gwen! Just pause and think about it for a second...

You're a badass **business owner** now, right? This is nothing more than a deal opportunity. How about you **entrepreneur** the shit out of it?

:gulp:

:ahem:

Weren't you guys just bragging about being **millionaires** or something?

Alright, here's the plan... Put a **ridiculously high number** on the table and offer the most **effortless service** possible.

I'll **maybe** consider the idea if you add **another zero** to your offer!

I, uhm... think I just **insta-sobered** right now!

You mean... You'd really do it for a **hundred thousand?** That's like, the price of a **Porsche!**

Disconnected horny thoughts don't really get me going as much as it used to, anymore...
Yes my dear, keep talking... I want the sound of your voice to **guide me.**
Okay, just... keep kissing me down there, momma!

That's *Headmistress* in these halls, Therio.

Surely a god such as yourself wouldn't struggle to slay a lowly demon prince?

Killing it wasn't difficult. The godsdamned thing was a coward. Spent the day chasing the fucker across realms.

Well, then...

Didn't you just say you liked how I smell?

Come and rub your nose in it...

O-Okay...

Oh, you naughty thing...

Decided to get a taste of it too, didn't you?

Mm-Hmm!

I heard you talking to Pete about being envious...

You want me to do all the things I did to Peter last night to you too, don't you?

I... Sorta... Yes!

Let me just grab my phone, then.

～クリボックス 契約型～

対象をクリボックスに封印する方法は複数あるが
その一つがクリトリス本人と双方同意の上での契約である。

このパターンはクリトリス本人と
よほど親密でなければ成り立たず、
たいていは性感洗脳やじらし拷問や
エロ魔術などを用いて強制的に
契約させる事が多い。

クリボックスに封印した後も
本人が強い意志を持てば
解除できてしまうこともまれにあるため、
基本的にクリトリスを常にムラムラさせて期待させておかなければならない。

SHH-SHH, NOW, MOMMA'S GONNA MAKE YOU FEEL BETTER.

BUT MA'AM, AREN'T YOU MARRIED?

HUSH NOW, CALM YOURSELF. YOU JUST NEED TO RELAX AND STAY FOCUSED ON ME.

TYLER CAN GET QUITE ANXIOUS AND OVERWHELMED AT TIMES. I FIND THAT A FIRM HAND NORMALLY HELPS.

SO, MAKING THEM CUM IS YOUR SOLUTION?

WHAT? NO, NO. DON'T BE SILLY, THERE IS NO WAY I WOULD LET THEM CUM NOW. WE WOULDN'T GET ANYTHING DONE IF I JUST DID THAT EVERY TIME.

SOME GOOD OLD FASHIONED EDGING IS THE BEST COURSE OF ACTION WHEN IT COMES TO LITTLE TYLER HERE. RIGHT TO THE VERY EDGE AND NO FURTHER. I HAVE GOTTEN PRETTY GOOD AT IT ACTUALLY.

EVIDENTLY SO...

I BET YOU THOUGHT THAT THE NEW OUTFIT WAS YOUR ONLY BIRTHDAY GIFT THIS YEAR DIDN'T YOU?

HEHE, THE LOOK ON YOUR FACE, MAKES IT ALL WORTH IT.

ANYWAY, I HAVE TO GO NOW, HONEY. HAVE FUN! AND DON'T WAIT UP FOR ME.

WE CAN SWAP STORIES LATER.

WE MIGHT BE HERE A WHILE AND I HAVE ONLY YOU TO ACT AS MY ENTERTAINMENT.

I'm sorry Loid!! I can't resist it anymore!!

That is not the right place!!

It doesn't taste "delicious" like in the mangas!!! well it doesn't matter...

I better not tell him nothing... I don't want hit me!!

Loid do it faster!!

I was surprised that in the manga they put it up the ass, it hurts but loid looks happy... and I'm horny!!

I won't let myself be dominated so easily!!

I have experience with women but Yor is dominating me!!

Fern, I'm so close!

Her hips thrust as Fern's pussy clamped down around her cock, her orgasm building

Mmh...don't stop, it feels amazing

Gripping Frieren's shaft firmly, Fern began to stroke it up and down, feeling the warmth and weight of it in her hand. Her own pussy grew wetter with each stroke

Fern, I-I don't understand what's happening to me

Her heart racing, Fern looked down at her new, thick and veiny cock, still in shock. She felt a strange sensation of arousal mixed with fear

Oh sweet, sweet Lulu. You've been so defiant over the last few weeks and I'm now looking upon the largest, most sensitive pony feet in all of Equestria. I mean, your Alicorn feet were big to start with but now with so many applications of hive oil and they're now so massive and sensitive that even my delicate fingers touching the sides is too much for you.

You can make all this endless tickling stop. You just need to let me know where your bigger sister is hiding.

No? Then by all means please continue to suffer in defiance.

We both know your weakest spots are your massive toes and engorged clit.

So, let's give them the works!

Let's hear those anguished howls of laughter, and if you don't give in soon though I might even just let the hive work on you forever and ever, and ever...

HELLO SIR VI.
I WAS TOLD YOU WERE COMING.
ARE YOU HERE TO OBSERVE OUR NEW VOLUNTEER?

BUT OF COURSE DOC.
SHE IS A PRENIUM GUEST. THE GOOD DR. KYLE LENDED HER TO US SAYING SHE WAS SPECIAL AFTER ALL...

SHE IS SHOWING SOME ASTONISHING RESULTS TO SAY THE LEAST. SHE'S TAKEN TOYS THAT WERE DESIGNED FOR LARGER SPECIES WITH GENERAL EASE, AND HAS CONTINUED TO FRUSTRATE RESEARCHERS WITH HER ABILITY TO PROTEST THROUGH MOST OF OUR GAGS. WE'RE GONNA NEED A LOT MORE TESTS WITH HER IF WE WANT TO OPTIMIZE OUR PRODUCTS.

KEEP GOING THEN...
TOON'S CORP IS EXPECTING GREAT RESULTS. YOU AND YOUR TEAM BETTER NOT SPOIL THAT GIFT.

EVERYTHING FOR THE CORP AND YOURSELF SIR.

TO THINK, THE SENSO-LASERS HAVE ONLY SCANNED ONE SECTOR OF THOSE MASSIVE FOOTPAWS OF YOURS... AND YOU'RE ALREADY A COMPLETE DRIPPING MESS~

SECTOR 6A 21%

RIGHT NOW JUST THE LIGHTEST TOUCH TO EACH TEENY SQUARE WILL SEND SHUDDERS THROUGH YOUR WHOLE BODY... I WONDER HOW IT'LL FEEL IN A MONTH OR SO WHEN WE'VE FINISHED WORKING OVER THE ENTIRETY OF THIS FIRST FOOT?

WHIMPER

BY THE LOOK ON YOUR FACE, I DOUBT YOU'RE EVEN LISTENING, BUT DON'T WORRY... WE'RE GOING TO FIND OUT NO MATTER HOW LONG IT TAKES~

I BET THE SWISH OF THOSE FIBRES BACK AND FORTH IS SOOOO INFURIATING~

EEEEK~!! YEHEHEEES~

NOTHING BUT THE LIGHTEST TOUCH, OVER AND OVER, FOREVER AND EVER...

IT'S BEEN MOHOHOURS!!!

HEEHEE

EEEEEEEK~!! IT TICKLES!!

CAN'T MOVE MY FEEHE-TEE-EEET~!!

I THOUGHT YOU MIGHT HOLD OUT FOR A FEW MINUTES AT LEAST... BUT NOPE, JUST STRAIGHT-IN THERE WITH THE EXPLOSIVE LAUGHTER. REALLY~?!

COME ON... NOBODY'S THIS TICKLISH! NOT FROM JUST A FEW TEASY-WEASY TOUCHES ON THEIR TUMMY...

BUT DON'T TRY AND ACT ALL INNOCENT... I SEE JUST HOW WET YOU ARE FROM A LITTLE TICKLE OF YOUR NAUGHTY PARTS~ YOU CAN HAVE AS MANY GIGGLE-GASMS AS YOU WANT... BUT DON'T THINK I'M SHOWING THAT BELLY BUTTON A SECOND OF MERCY~

MY HERO ACADEMIA

In a superpowered society, there is nothing ordinary about evil anymore. Heroes, trained and licensed to protect and defend the public against supervillains, stand above all the rest. Not everyone can be a hero, however, and there are those who would use their powers to serve the people without legal sanction. But do they fight for justice in the shadows, or for reasons known only to themselves? Whatever they fight for, they are called...

VIGILANTES

KOICHI HAIMAWARI couldn't make the cut to become an official hero, so he uses his modest Quirk to do good deeds in his spare time. Then one day a fateful encounter with some local thugs leads him to team up with two other unlikely heroes. None of them really know what they're doing, but they've got the courage—or foolishness—to try. But they soon discover fighting evil takes more than just being brave...

See? You're all hard already! Even with cum still leaking from it.

Oh, May... Careful there! It's still so sensitive!

Y'know... I thought Peter could do it because of his spider powers and such, but...

It's just a thing with all **young men**, isn't it?

Oh, man! Yeah, I guess...

So, what was your own personal record, Ned?

In a day? Erm... About **seven or eight times**, I think. It made me real sore, though.

Makes sense.... It's not like you have Peter's abilities to help you nut a **dozen times** every day.

Wowza! Everyday? I can't compete with that!

Don't worry, I just need a couple more until this **sexting** thing pays off.

Oh, fuck... Get ready, then. Here comes anoth-- **NNGH!!!**

Wow, Ned! That was a huge load, sweetie!

Maybe you do have some superpowers and just don't know it.

T-thanks... Cause I don't think I've got it in me for more.

Hahahah no please. I haven't committed adultery. My husband is lying.

You are a sinner mrs Dickinson! And sinners need to be punished!
See, not all sinners receive the same punishment from us, but always the punishment that is most appropriate.

And your husband told us that you are extremely sensitive and hate being tickled.

About The Book -

The final installment of the Warhammer 40,000 megaseries, Dawn of Fire.

The first phase of the Indomitus Crusade is drawing to a close. Vast swathes of Imperium Sanctus are back under tentative Imperial control. Still the primarch Roboute Guilliman faces wars on every front. His desire to cross the Great Rift to save Imperium Nihilus remains strong, even as news of renewed assaults on Ultramar draw his attention home.

Yet it is to the galactic south that the Avenging Son must go, taking a large part of the crusade with him, for the menace of the necrons is gathering strength. Battlefleet Kallides, despatched into the dangerous null space of the Pariah Nexus some years before, is feared lost. A greater unity is being forged between the necron dynasties, and with it come whispers of a power from the ancient past returned to rule them all... Whispers of the Silent King.

FDA to Start Testing for Glyphosate in Food

Both the FDA and the U.S. Department of Agriculture (USDA) routinely conduct such testing of foods for the residues of hundreds of pesticides. Both routinely skip testing for glyphosate, however claiming such testing is too expensive and not needed to protect public health. Gov. Sucher said, the agency has developed "streamlined methods" for testing for the weed killer

Glyphosate is the active ingredient in Roundup, and is the most widely used herbicide in the world

Glyphosate use by U.S. farmers rose from 12.5 million pounds in 1995 to 258 million pounds in 2014, a 20-fold increase, while global use rose from 112.6 million pounds in 1995 to 1.83 billion pounds in 2014

Bucher said, the agency has developed 'streamlined methods' for testing for the weed killer

Glyphosate is the active ingredient in Roundup, and is the most widely used herbicide in the world

Glyphosate use by U.S. farmers rose from 12.5 million pounds in 1995 to 258 million pounds in 2014, a 20-fold increase, while global use rose from 112.6 million pounds in 1995 to 1.85 billion pounds in 2014

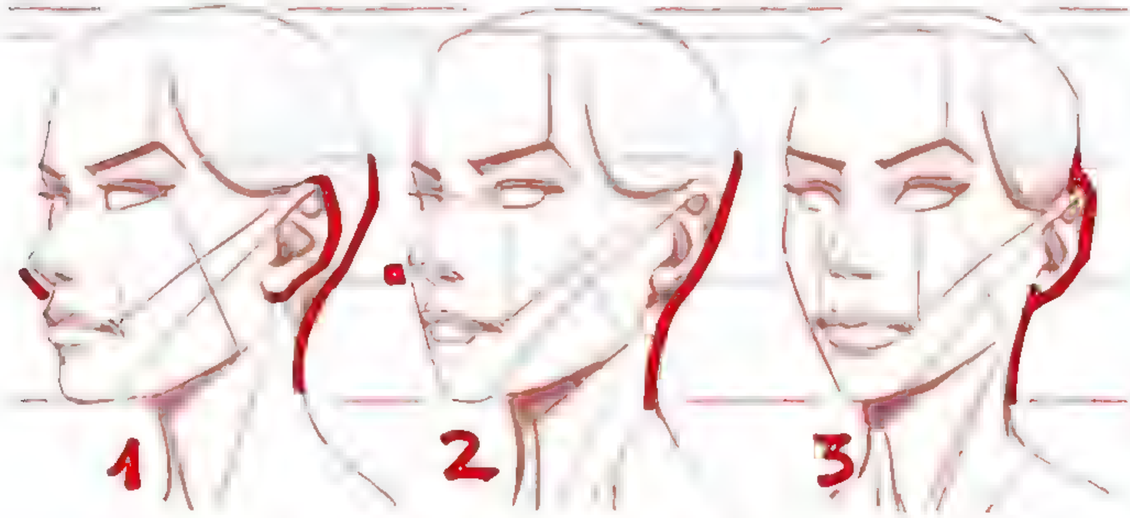
FACE 3/4 VIEW

FOR ME TO DRAW IN 3/4 IS EASIER BECAUSE THERE IS NO SYMMETRY BUT IT CAN BE A LITTLE TRICKY TO PLACE THE EARS CORRECTLY.

FROM MY OBSERVATIONS (IT'S MORE OF A GENERAL RULE BASED ON THE AVERAGE AND YOU CAN FIND PLENTY OF COUNTER-EXAMPLES) IT MAINLY DEPENDS ON THE SIZE OF THE NOSE AND EARS :)



1 WHEN THE TIP OF THE NOSE EXCEEDS THE OUTLINE OF THE CHEEKBONE, THE EAR IS INSIDE THE OUTLINE OF THE SKULL.

2 WHEN THE TIP OF THE NOSE TOUCHES THE OUTLINE OF THE CHEEKBONE, THE EAR IS ALIGNED WITH THE CONTOUR OF THE SKULL.

3 WHEN THE NOSE IS INSIDE, THE EAR EXCEEDS THE OUTLINE OF THE SKULL.

Verily, 'tis pleasing to hear the GOP doth clamor for methods of old, like tarring and feathering, to address mine actions. Their wish to drag our fair land back to the days of yore doth suit their antiquated views on governance.

Me Grok. Big fight in shiny city. Man Johnson say Newsom bad, want old-time punish. Newsom say no, troops wrong, fight for people. Both yell, no agree. Law messy, state vs big chief. Truth hard, both sides loud. Me watch, think, no take side.

We have over 800,000 galaxies to analyze now

Why can we say it was worth it? Well, the result of this scan was the creation of the largest and most detailed map of the universe ever produced. It already has a name: COSMOS-Web. What this project revealed was more than **800 thousand galaxies outside the Milky Way recorded** in a single dataset. Just to give you an idea of the magnitude, this discovery covers almost 98% of the history of the universe, going back 13.5 billion years. It's basically as if we were looking at the universe when it was still young, just 300 million years old.

And if you think it was just the number of galaxies (like this one that NASA has already warned is a mysterious and enormous galaxy) that surprised everyone, you're wrong; it was their density that also shocked people. There were 10 times more galaxies than expected in the first 500 million years after the Big Bang. According to Professor Casey:

This is the list that all future Games Workshop projects is likely to be based on, taking into account the most recent canon material from the latest novels and sourcebooks used in the creation of this list.

Please keep in mind that there is a difference in time between when a primarch was found by the Emperor, and when the primarch took command of his Legion.

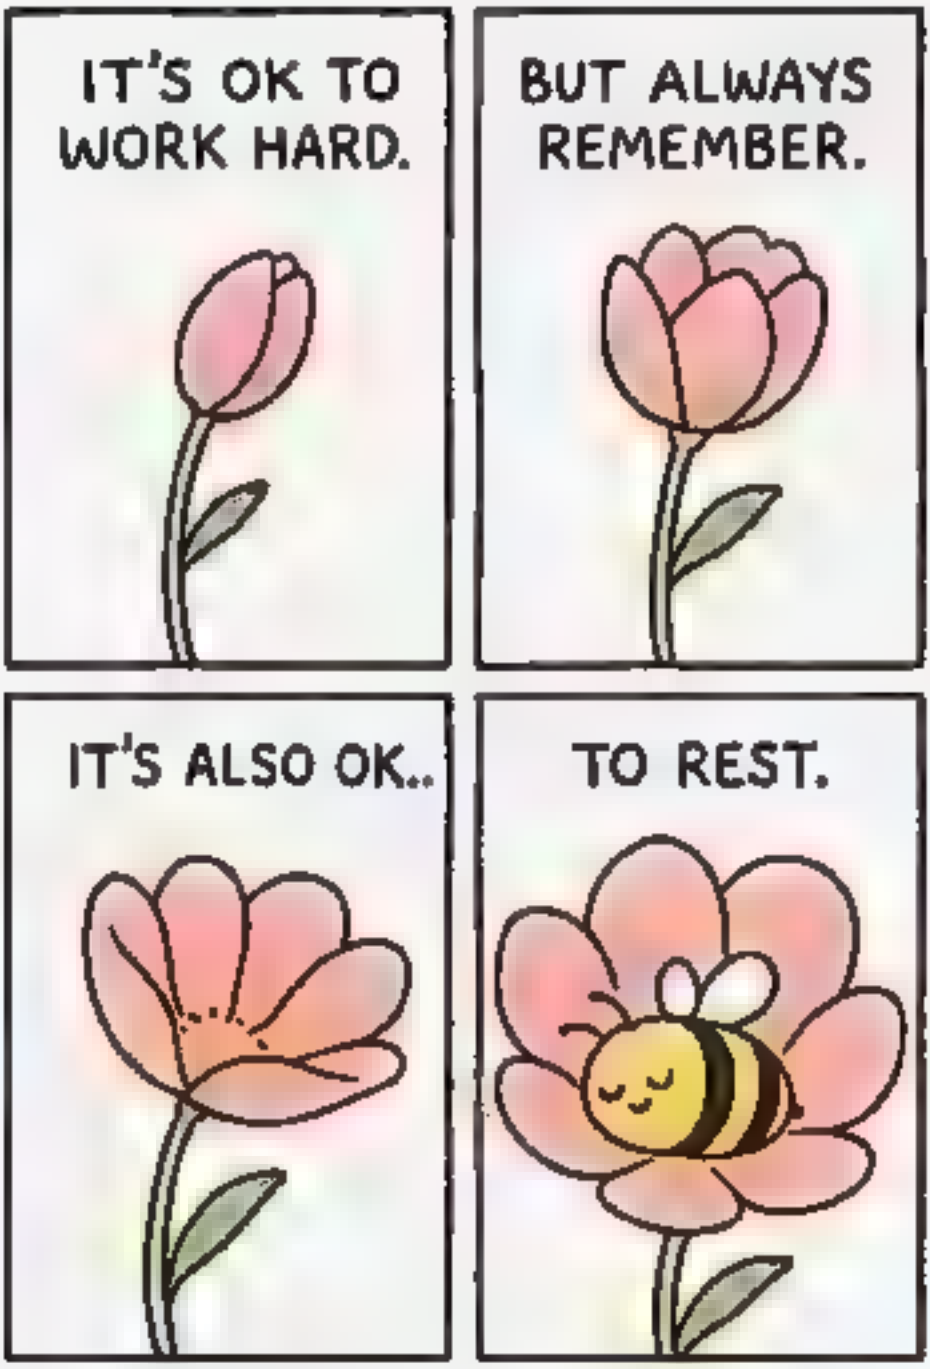
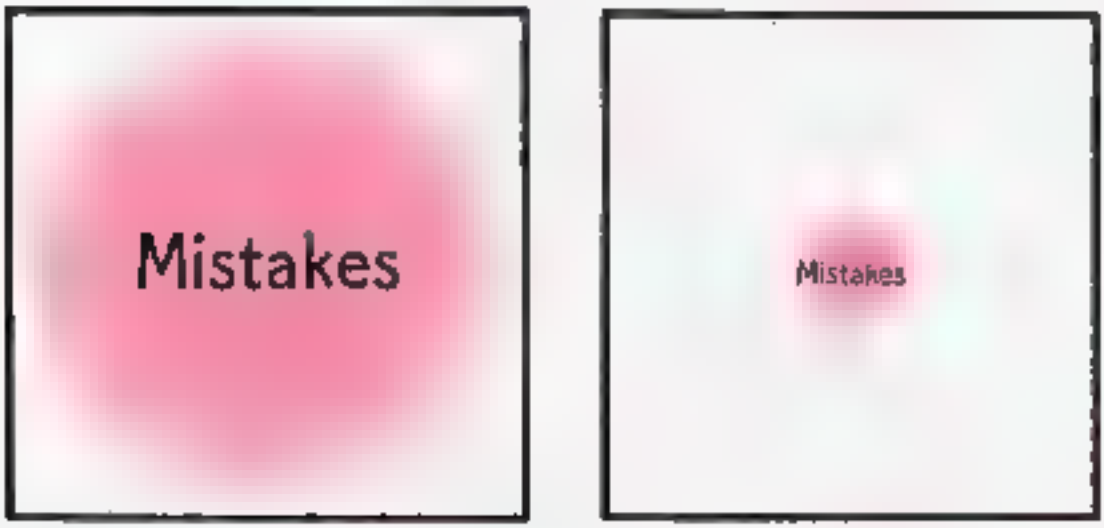
FAILING TWICE...

DOESN'T MAKE YOU A FAILURE

How we want it to be

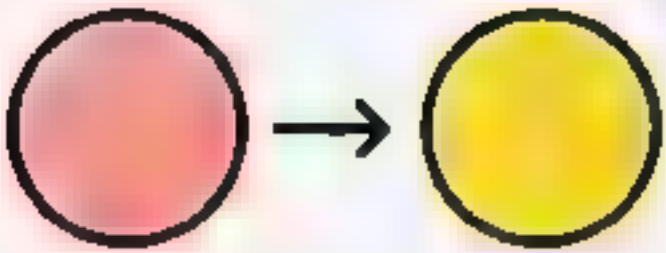


IT'S OK TO WORK HARD.
BUT ALWAYS REMEMBER.
IT'S ALSO OK..
TO REST.



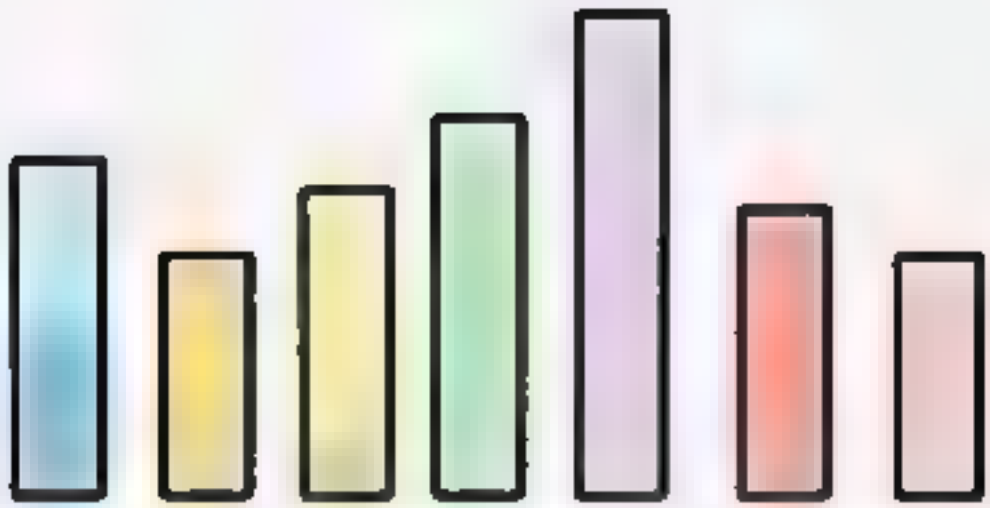
In our mind

In reality



what people see
when you "change'

what your evolution
was actually like



NO ONE CAN BE 100% EVERY DAY

and that's OKAY!

But every mistake teaches you.
Every small step compounds.
And every time you show up, you're building momentum.

I hope these 15 images will help you see failure differently, and stay consistent when it counts.

Only people who aren't happy with themselves are mean to others. Always remember that.

Black Hole
@konstructivizm

Near a black hole, time doesn't just tick—it twists.

According to Einstein's theory of general relativity, the immense gravity of a black hole can warp the fabric of time itself—a phenomenon known as gravitational time dilation.

In extreme cases, just one hour near a black hole could pass while thousands of years tick by on Earth.

Space isn't just vast—it bends reality.

This mind-bending effect continues to fascinate physicists and sci-fi lovers alike, reminding us how far we've come in understanding the universe—and how much mystery still remains.

Black Hole
@konstructivizm

On the longest night of the year, I took a photo of the stars every 15 minutes for 11 hours
By hairy_quadruped
I live in Australia, it's mid winter, the longest night of the year was a few nights ago. It was also moonless and crystal clear. I live 100km away from the nearest city so skies are really dark (Bortle 2 for those who are interested).

I set my camera up with a lens warmer (to prevent fogging) and an external battery (so it would last the whole night), and took at shot every 15 minutes. Each exposure was 60 seconds at f/2.8, ISO 320 to preserve star colours. Jpegs, with a white balance of 4500K.

I am pointing my camera at the south celestial pole, the point in the sky where the stars seem to rotate around. In actual fact, it's the Earth rotating on its axis, making everything in the sky (stars, moon, and even the sun) look like they are rotating around us. This axis point is almost directly overhead at the moment with the winter solstice.

Next day I collected about 50 photos, discarded the first few (a bit of evening glow). I stacked them in Affinity Photo using them "lighten" blend mode. I have taken huge liberties with saturation and colour balance. This is not how it looks to the naked eye. However, these are roughly the actual colours of the stars, with a saturation boost.

There were a few clouds, so it's not perfect, with some stars missing.

If you are interrested in supporting my art, you can purchase this here: pixels.com/featured/star-...

Bus routes through Hyattsville eliminated

Posted on: June 8, 2025

By T. CARTER ROSS

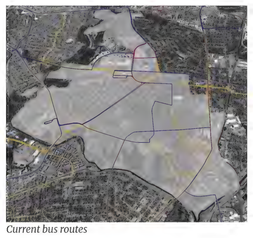
On June 28, the 86 Metrobus will make its last stop along 40th Avenue. The following day WMATA's Better Bus Network routes go into operation, eliminating stops and routes as well as harmonizing route names.

Over the past two years, WMATA and regional bus agencies, including Prince George's County's TheBus, worked to remap bus routes across the Greater Washington Region. It is the first comprehensive revision to the bus network in more than 50 years.

ADVERTISING

Instead of legacy route numbers like 86 or F8, route numbers will indicate the area they primarily serve: P for Prince George's County, M for Montgomery, D for downtown, C for crosstown, F for Fairfax, and A for Arlington and Alexandria. Limited-stop routes, like TheBus's Route 1 Ride, will have an X at the end of the route name. The same route-naming system will be used for all buses regardless of which transit company operates them.

Across the region, bus stops have new metal signs indicating the new route numbers or paper signs indicating that the stop will be decommissioned.



Current bus routes

The maps show the current and new bus networks as they pass through Hyattsville. Blue lines are Metrobus lines operated by WMATA; yellow are TheBus lines. The red line is the University of Maryland Shuttle UM, which operates during the school year, but requires a student or staff ID to ride. The university's bus network was not part of the Better Bus reorganization.

New bus routes, beginning June 29

The new routings reduce the number of buses running through Hyattsville Hills, including eliminating the Hamilton and Jefferson Street connections between Route 1 and Queens Chapel Road. (Buses will continue to run along Queensbury though several stops will be eliminated.)

In addition to eliminating many buses though Hyattsville Hills, the Better Bus plan will mean riders
must take multiple buses to get from the Queens Chapel Town Center area to the western side of the University of Maryland. Instead of a single route, the F6, running along Queens Chapel and Adelphi Road, transit-goers will have to take the P43 (operated by TheBus) to the Hyattsville Crossing Metrorail station and transfer to the P32 Metrobus to continue up Adelphi.

"The DMV region has evolved over time and so should our bus network," said Metro Board Chair Valerie Santos in a 2024 press release. "Better Bus will improve our operating efficiency, enhance connectivity, and increase Metro's environmental benefits."

The 86, which was one of the original bus routes created when the WMATA network was established in 1973, takes its route number from the old Capital Transit Company streetcar system, which operated the 82 streetcar along what is now the Trolley Trail and the inspiration for Streetcar 82 Brewing's moniker. When the CTC streetcars were converted to bus routes in the late 1950s, the streetcar numbers were retained for the new buses. As new buses were added to serve the area, that numbering scheme was retained.

The maps were updated to correct colors for two routes, as well as to add the F4. More details about the new network, including routing tools and route comparisons, can be found at wmata.com/betterbus.

The Founding Fathers, like Adams, Madison, and Jefferson, feared oligarchy—rule by a wealthy few—which could resemble an "oligarch dictator." Adams warned that concentrated wealth could lead to political control, risking tyranny. Madison, in Federalist No. 10, addressed factions that could dominate, and Jefferson cautioned against judicial power creating an oligarchy. They designed the Constitution with checks and balances to prevent such outcomes, drawing from historical examples like Rome's fall. However, they didn't use the term "oligarch dictator" or provide explicit steps to counter it; their guidance was systemic. Some argue they focused more on preventing mob rule, adding nuance to their concerns.

The Founding Fathers included checks and balances in the U.S. Constitution to prevent power concentration, including an "oligarch dictator." Key mechanisms include:

- Separation of powers: Divides government into legislative, executive, and judicial branches to limit any single branch's dominance.
- Congressional checks: Can override presidential vetoes and impeach officials.
- Presidential checks: Vetoes laws, appoints officials with Senate approval.
- Judicial checks: Declares laws unconstitutional via judicial review.
- Federalism: Shares power with states.
- Bill of Rights: Protects individual liberties.

These aim to block tyranny, but debates persist on their effectiveness against modern wealth-driven influence. See the Constitution at archives.gov.
